SUPERVISORS HOLD REGULAR MEETING

The Board of Supervisors met in regular session Monday, April 6th, there being present Wm. H. Brown presiding, Jas. T. Casey, John MacBain, Jos. M. Francis and D. E. Blackburn.

The matter of purchasing a jail site was continued two weeks by order of the chairman.

M. F. Brown, chief of the motorcycle squad, reported as follows:

Officer Lowans, worked twenty-one days, no arrests.

Officer Brown, worked twenty-one days, five arrests, one conviction, fine $15; five cases pending; three cases dismissed.

Officer Logan, worked twenty-one days, eight arrests, eight convictions.

Officer Vallejo, worked seventeen and one-half days, three arrests, three cases pending.

Coroner and Public Administrator Plymire reported having turned over to the Public Administrator of San Francisco $89 and certain personal property belonging to John Birch deceased.

County Surveyor Neuman reported having in his possession cash amounting to $35 which had been deposited in his office by certain contractors as deposits on plans and specifications that had not been returned.

A report was received from the State Board of Health, recommending certain improvements in the sanitary condition of the County Hospital. The report was referred to Superintendent Eubanks.

The following liquor dealers, having complied with the law and furnished the necessary bonds, were granted licenses:

First township—John Mori, Rockaway Beach; James Murray, Colma; Antone Noyer, San Bruno; Stephen McCue, Colma; Agostino Tassara, Colma.

Second township—W. A. Emmett, class B, Belmont.

Third township—H. E. Hallett, Woodside; Walter Jellich, Woodside; A. V. Kieffer, La Honda.

Fifth township—J. C. Amarel, Pescadero.

The following applications were given first reading and will be acted upon a month hence:

First township—J. B. Demartini, Colma; Frank J. Russi, Colma; John Tiedeman and Marcelo Verengo, Colma.

Third township—Charles Kreiss, Woodside; Percy R. Weeks, La Honda.

Fourth township—John Fletcher, Granada, Class C; J. V. Azavedo, Halfmoon Bay; John Flink, Faralone.

Antone Grazioni, a nonresident, petitioned the board for a license to peddle in the county. The application was denied on motion of MacBain, seconded by Francis.

Joseph Hill, a resident of La Honda, aged 71 years, was granted $8 per month from the Indigent fund, on motion of MacBain, seconded by Casey.

A petition signed by Geo. F. Johnson and other citizens of Millbrae was presented, asking that a sanitary district be formed at that place.

Mr. Johnson appeared before the board in support of the petition and testified under oath that all of the signatures attached to it were genuine.

The petition was referred to the District Attorney who will prepare the proper resolution for its acceptance and fixing a day on which the citizens within the proposed district will vote on the matter.

A petition, signed by A. J. Bertini and others of Colma was received, asking that two additional lights be placed in the Colma Lighting District.

On motion of Casey, seconded by MacBain, the petition was granted and the clerk directed to notify the contracting light and power company to proceed to install the lights.

A petition signed by J. M. Custer and others of San Bruno was received, asking that the San Bruno road at Sierra Point be restored to its original width of sixty-six feet.

Casey stated that he had already taken action in the matter and the clerk was in possession of an acknowledgment of his letter from the railroad company. At his request the matter was continued until afternoon as a delegation from the South San Francisco Chamber of Commerce had signified its intention to be present to discuss the subject.

A communication was received from the Santa Cruz Chamber of Commerce, calling the board's attention to the bad condition of the county road from Pescadero to the Santa Cruz county line. The communication was accepted and filed and no action taken as the road is among those to be shortly rebuilt under the county bond issue.

The following bids were received for the construction of a concrete bride across the Cordilleras creek, near the Finkler place in the Second road district:

Kauffman-Price Company, $1554.
I. Scott, $2024.
Arthur M. Biggers, $2045.
Harry B. Morey, $2149.

A bid presented by M. A. Grant was rejected unopened as Grant is a county employe.

A representative of the Kauffman-Price Company, the lowest bidders, stated that he had not taken into consideration the erection of a temporary bridge in making his estimate.

The matter was laid over until afternoon to give him time to amend his bid.

The following bids were received for constructing 3.835 miles of the Colma to Halfmoon Bay road at San Pedro.

L. L. Page, $25,445.12.
Tieslau Bros., $21,464.40.
Jas. Willison, $14,601.02.

On motion of Casey, seconded by Blackburn, the contract was awarded to Willison, the lowest bidder.

Mrs. Elizabeth Larsen of Daly City was recommended for the usual State aid of $6.25 for the support of her half-orphan child, on motion of Casey, seconded by MacBain.

The District Attorney stated that in some parts of the First township the sanitary conditions were a menace to the health of the community and unless there was some voluntary action on the part of the people to abate the nuisance, either by using septic tanks or by the formation of sanitary districts, the board would have to pass an ordinance correcting the evil.

A report was received from J. V. Neuman, Alvin S. Hatch and Edgar A. Shaw, the viewers appointed to view and lay out the County road from Halfmoon Bay to Pescadero. The report was accepted by resolution adopted on motion of Blackburn, seconded by Francis and May 4th was fixed as the date on which the nonconsenting landowners will be heard in the matter.

A petition signed by John A. Betencourt and others was presented in opposition to changing the route of the present road from Halfmoon Bay to Pescadero. The petition was accepted and will be considered at the hearing on the viewers' report on May 4th.

A resolution passed by the Chamber of Commerce of South San Francisco was presented, asking that the San Bruno road be restored to its former width of sixty-six feet.

J. W. Coleberd addressed the board in support of the petition after which the matter was laid over until the first meeting in May on motion of Casey, seconded by Blackburn, and in the meantime the county will press its claim against the railroad company for the necessary land to widen the road.

The Surveyor presented a drawing showing the proper location of the tracks of the United Railroads on the San Bruno road in Visitacion Valley, which was adopted on motion of Blackburn, seconded by Casey.

On motion of Casey, seconded by MacBain, the Pacific Coast Bone, Coal and Fertilizer Company was notified to remove its tank from the right of way of the San Bruno road.

A communication was received from the San Mateo Center, California Civic League, protesting against the granting of a license to a certain company for the maintenance of an alleged "Coney Island" on the coastside unless it be with a supervision clause.

The awarding of a contract to construct the bridge across the Cordilleras creek was laid over.

The communication was accepted and filed.

Blackburn reported that he had investigated the complaint of R. C. Merrill to the effect that his pumping plant had been destroyed in the building of the bridge across Coyote creek in the Fifth township and found that if the plant was destroyed it was the fault of the contractors and not the county. The report was accepted.

On motion of Blackburn, seconded by MacBain, the surveyor was authorized to purchase a new multiplying machine for use in his office.

Surveyor Neuman stated that by making a slight change in the Warrenite pavement the county would be relieved of paying a royalty to the owners of the patent.

On motion of MacBain, seconded by Francis, the matter was referred to the District Attorney who will consult with experts as to the advisability of such a course.

District Attorney Swart stated that on the 25th instant the District Attorneys of the State and their wives would visit San Mateo county. With the party would be several of the Supreme Justices. It was the purpose of the Development Association to entertain the visitors by giving them a ride through the county and lunch and dinner. It was requested that all who would contribute automobiles notify Mr. Ekswand, the secretary of the Development Association.

Adjourned to Monday, April 20th.

Wed in San Francisco.

A marriage license was issued in San Francisco Monday to Grover B. Neuman, 23, Woodside, and Mabel M. McCarthy, 19, San Jose. Neuman is a younger brother of County Surveyor James V. Neuman and is associated with his brothers in the management of their general merchandise store at Woodside.

LOS ANGELES POLICE IDENTIFY A SUICIDE

The body found in Granada canyon two weeks ago with a bullet hole through the skull has been identified as that of John C. Raymond, a cigar dealer of Glendale, a suburb of Los Angeles. The identification was made by the Los Angeles police through a photograph sent by Sheriff J. H. Mansfield, and a pair of spectacles found beside the body.

According to advice received from Los Angeles, Raymond sold his cigar stand about a year ago, and nothing is known of his movements since that time.

A man answering Raymond's description was seen by residents of Miramar in company with two other men two days before the body was found. The Sheriff thinks the man committed suicide with a small pistol found beside the body.

"FAGGED-OUT" WOMEN

Will Find Help in This Letter.

Overworked, run down, "fagged out" women who feel as though they could hardly drag about, should profit by Mrs. Brill's experience.

She says: "I was in a very weak, run-down condition. Life was not worth living. I could not sleep, was very nervous, stomach bad, and was not able to work.

"I consulted with one or two physicians, without benefit. I read of Vinol helping some one in a similar condition so I began to take it, and it simply did wonders for me. I gained in weight and I am now in better health and stronger than ever. I can not find words enough to praise Vinol."—Mrs. W. H. Brill, Racine, Wis.

Thousands of women and men who were formerly weak and sickly owe their present rugged health to the wonderful strength-creating effects of Vinol. We guarantee Vinol to build you up and make you strong. If it does not we give back your money.

P. S.—For rough, scaly skin, try our Saxo Salve. We guarantee it.

The Fraternal Aid Association will give a card party at Foresters' hall next Tuesday evening. Refreshments will be served.

The boy scouts, accompanied by the chief scout master, H. H. Sears, took a hike to King's mountain last Wednesday. They pitched tents on the mountain side and prepared their meal after the fashion of the soldied. The fourteen lads qualified as second class scouts. The twenty mile tramp tried out the youngsters in splendid fashion, they being equal to the occasion and demonstrated that they are made of the stuff from which Uncle Sam may expect to recruit his fighting men.

The numerous friends of H. C. Tuchsen are working diligently to osecure a big vote for him next Monday. While it is true he will be elected, his admirers desire to give him as big a vote as possible to show their appreciation for the sacrifice he has made in becoming a candidate for the office of town trustee. Mr. Tuchsen is well qualified for the position both by experience and by the fund of knowledge he has concerning municipal affairs. His vote on Monday should be pronounced and overwhelming.

The Wells Fargo Company placarded its delivery wagons the first of the year to the effect that rates would be reduced after February 1st. The fact of the matter is the public is now paying a higher rate than before. All packages weighing over sixty pounds have been increased 20 cents per hundred pounds, while packages under that weight the rate has been slightly decreased, but as a whole the public is paying the company a much higher rate.

Gustave H. Schoof, veteran of two wars, squadron major of the Canadian mounted police, arrived from Stanford University yesterday where he gave two lectures on his late experience on the battle field of Mexico. He was an honorary member of General Villa's staff at the battle of Ojinaga. Major Schoof will lecture at the Congregational church next Monday evening at 7:30 o'clock. There will be a silver collection. The public is cordially invited.

There are a great many Beers brewed throughout our country and put upon the market under the brand of "Bohemian." For the purpose of individualizing our product and also for the reason to link it closer to the name of our plant, we have decided to re-christen our popular "Bohemian" and call it plain "Buffalo Lager."

On April 1st of this year our new Bottled Beer will be put on the market dressed in the New Label. It is our endeavor that the new label shall represent extreme care in brewing and expert inspection at every stage of production from the raw material to the packing for marketing. Only the best materials are used for the manufacture of "Buffalo Lager," which coupled with up-to-date methods in the art of brewing will present to the beer drinking public a Table Beer "par excellence."

We thank you for the many past favors received at your hands and sincerely solicit the continuance of your patronage.

PESCADERO CORRESPONDENCE.

Lafayette Chandler, an old pioneer and farmer of Pescadero, passed away at his home last Monday after a long and wearisome illness. His passing was quiet and easy. He died while asleep. The body was cremated at Cypress Lawn cemetery. The remains will be brought back here in a short time. He leaves a wife and daughter to mourn his loss. Mr. Chandler was born in Kenebec county, Maine, on May 23d, 1836. At the age of 16 years Chandler left home, shipping on the Star of the East, for the Isthmus of Panama, which he reached without incident. On the Pacific Ocean he went aboard the ill-fated steamer Lewis, bound for San Francisco, which port the steamer was destined never to reach. Having passed the harbor in the night, the ship drifted to Duxbury reef, a few miles north of San Francisco, and was wrecked. Being mercifully spared a watery grave, Mr. Chandler finally reached San Francisco, but did not remain long, later going to Santa Cruz county, and for a year made his home at Watsonville. In 1854 he came to Pescadero, which place had been his home un until the time of his death. Between the date of his settlement and the present time he spent three years in the mines of Idaho and British Columbia. Mr. Chandler located on his property here in 1857, the farm containing 171 acres. He also owned another ranch of 416 acres five miles north of Pescadero where he carried on stock raising extensively. Some years before his death he deeded his property to his wife and Mrs. Asa Weeks, a daughter by a former marriage. Mr. Chandler was a man of strict honesty, probity, and upright in all his dealings.

CHRISTIAN ENDEAVOR TO HOLD CONVENTION HERE

Adding to these, those who will attend from the northern cities, will bring the total close to three hundred.

Sad Death of Mrs. Taggart.

The sensational suicide of Mrs. Mary Ellen Taggart, wife of the late Dr. H. W. Taggart, in an apartment house in San Francisco last Sunday night, caused a ripple of excitement in this city where she was well known. The account of the unfortunate affair in Tuesday morning's papers was read with avidity by all who knew the deceased who had resided in Redwood City for the past eight years. It was known that some time after the death of her husband in Decembeer last, she came into possession of her husband's life insurance amounting to about $10,000. Her relatives can find no trace of the money. It is believed that Lytton McIntosch, a mutual friend of the deceased, knows where the money is as it is said the coin was deposited in a San Francisco bank in his name. Mr. J. Flannery, brother of Mrs. Taggart has employed an attorney to make a thorough investigation of the whole matter. Mrs. Flannery, accompanied by a sister of Dr. Taggart's were here yesterday making a quiet nvestigation, interviewing friends of the deceased and making a search for missing papers. The women did not disclose the result of their work. It is said, however, that they learned certain information that may lead to some sensational developments later on. The remains of Mrs. Taggart were cremated at Cypress Lawn Cemetery yesterday.

To Voters of Redwood City.

To Voters of Redwood City:

In order that I may be successful in my campaign for election to the office of Town Clerk it is absolutely necessary that all who are in any way interested in my success be sure to cast their ballots Monday, April 13. No matter which way the final result may be, it will be close, and failure of even a few who have promised me their support, or who are interested in my success, to cast their ballots may cost me the election.

I have endeavered to make a house to house canvass, asking support and leaving my cards. It is certain I have missed some places and if I have missed you it was not intentional, and your support will certainly be appreciated.

If everyone who directly and indirectly has promised me his or her support will go and vote I may be successful, and I earnestly appeal to you all to be sure and do so. Those who are opposing me will be sure to cast their ballots and failure on the part of any of my friends and supporters to cast their votes means defeat for me.

There has been but one argument put forth against me and that is, that I am not physically fit to do the work. If I were not physically fit to handle any and all work which it will be my duty to perform, if elected, I would never have been advised by those who know me intimately to make this campaign. Neither would I have consented to do so, or to make such an effort to secure the position, if I did not know I could do the work. It would be poor policy on my part, at the beginning of my career, to try to deceive the public. I admit that I will have to have some one take me to the office, but that is my private business, and so long as the work is properly done without added expense to the town, my method of getting there need not be questioned. Furthermore, I intend, if elected, to be present at the office at all times during business hours, where people may know where I can be found when needed.

To all who are interested in me and wish to see me have the office, I appeal to vote, and vote early, Monday.

Recently the Supreme Court granted him a new trial on a technical error, committed by the lower court during the course of the trial of the case. It is believed that Mr. Wilson will be acquitted at the next hearing of the case.

A romance that had its inception in a hospital in far-away London many years ago culminated last Monday when Percy Ellings and Miss Emily Hill were united in marriage by Rev Montgomery in Trinity Episcopal church here. The beautiful bride had arrived from England the day before, after traveling 6000 miles to wed the man of her choice Several years ago Mr. Ellings lay deathly sick in a London hospital. His life hung in the balance. His faithful and day over him until he was restored to health. The attachment formed for each other at that time ripened into love and the pair plighted their troth. Some time afterwards Mr. Ellings left for California to make his fortune in the wild and wooly west and has succeeded. Mr. Ellings is the chief gardener for the Lynch Nursery Company, and a chrysanthemum grower of natnioal reputation. At the flower show at the St. Francis hotel in San Francisco last year Mr. Ellings' exhibit carried off all the prizes. He is considered the best expert in the country in growing this particular flower. Mr. and Mrs. Ellings are spending their honeymoon at Santa Cruz. On their return they will occupy the pretty Mason cottage on Mills avenue.

New Actions in Superior Court.

C. Darby has begun suit against A. S. Barron of San Mateo to recover the sum of $712 on account for services performed as well borer. The well was drilled 250 feet last fall and Barron agreed in writing, according to the pleading, to pay the amount due on April 1st of thisyear. The amount was not paid at that time, hence the suit.

H. H. Smith has begun suit to foreclose a mechanic's lien against C. H. Mullen and W. C. Koehnoke of Daly City. The amount involved is $334. Smith is a prominent lumber man of that place, and furnished the lumber for the construction of the building.

Thomas Ginnever has brought suit in the Superior Court against Jere Jerome to foreclose a chattel mortgage on one modern motor truck, one Chase motor, one Reo Auto-delivery car. The amount sought to be recovered is $622, interest, at the rate of seven per cent and attorney fees.

Genevieve Hanley and others have brought suit in the Superior Court against Frank J. Foran, and others to quiet title to a portion of lot 28, Laurel Creek Farm.

Guardian's Accounts Approved.

M. J. Hynes, guardian of the person and estate of Loren Coburn, filed his final account in the Superior Court on Wednesday. It is a lengthy document, containing 78 closely type written pages. Every transaction of the guardian is set forth in detail. It is an elaborate statement, showing the amount of money received and the manner in which it was disbursed. The total cash received was $364,576.38, the total credits as disbursed were $204 042.15, leaving a balance of $160,534.23 on hand and deposited in divers savings banks. The account shows that Hynes increased the production of the estate during his term as guardian in the sum of $195,466.26. The account was investigated by Judge Buck and promptly allowed and settled the report. The court allowed Mr. Hynes and his attorneys the sum of $30,000. Those who will participate in this sum will be Attorneys Ross & Ross of this city, Cullinan and Hickey and Matt I. Sullivan, and the guardian, M. J. Hynes.

Coburn, who was in court, made no objection to allowing the fee. It was considered very reasonable by Mr. Coburn and his friends. Many looked for a much larger sum to be demanded by the guardian and his attorneys. The aged millionaire has dismissed his faithful attorney, Archer Treat, who has labored for seven years to restore him to competency. It is said that Mr Treat has demanded a fee of $75,000 and that Mr. Coburn objects to the payment of such a big sum. J. A. Bardin of Monterey has been substituted as an attorney for Coburn in place of Mr. Treat. Yesterday Judge Buck signed an order releasing and discharging M. J. Hynes from all liability as guardian and declared his stewardship settled and closed.

COUNCIL RENEWS ORDER FOR SEWER CONSTRUCTION

Although Monday evening was the date of the regular session of the city council, had it not been for the ever present problem of the settlement of conflicting opinions to the extent of the summer campaign of street improvement, the meeting might almost as well have not been held. So far as general business of the city was concerned, there appeared practically nothing for the trustees, all of whom were present, to consider. Upon the questions of street improvement there developed no material differences of opinion among the members of the council, and the session was much shorter than is usually the case when this trying question of public policy is up for consideration.

An application for a permit for a restaurant keeper's liquor license was presented from the Paris Restaurant on Broadway, and upon a favorable report from Chairman Sampson of the public morals committee, was granted.

Upon a favorable report from the same committee, the application of W. H. Warren for a license to do a wholesale liquor business at No. 39 Broadway was also granted.

Trustee Deleau of the finance committee reported that the services of W. H. Kelso to complete the work of making the city asessment rolls for the coming year could be obtained upon the same terms as last year, the work to be completed in 30 working days. Acting upon the report, an order was made employing Mr. Kelso to make the assessment and to collect the personal property taxes.

This cleared the files of the Clerk of general business and the remainder of the session was devoted to a reconsideration of the scope of the sewer district to be laid out for that section of the city west of the County road, with a view to the elimination of the construction of laterals from the main sewer in places where these might be shown to be unnecessary because of the existence of alleyways in the center of the blocks and through which connections might be more economically made. As was the case at the previous meeting, practically the only objections to street improvement work to be voiced were made by representatives of the Moxey Realty Company and the Oakwood Land Company, who strenuously pleaded that nearly all work for which their property should be held liable be omitted. The arguments of the objectors, however, seemed to carry but little weight with the trustees, who at this time were unanimous in the sentiment that the extent of the work should be governed by the desires and needs of local residents rather than by the conveniences of speculative property owners. With the exception of the elimination of the unnecessary laterals, the trustees by a unanimous vote declined to make changes in the district to be accommodated and passed an amended resolution of intention to order the work to be done. So far as the sewer work is concerned, this may be taken as a final settlement of the improvements to be made.

No action was taken in the matter of street paving for the same district at this meeting, the matter being laid over until next Tuesday evening in order to allow City Attorney Mansfield to reach a final settlement with owners of property on Oak avenue of the question of the disposition of the long troublesome one-foot strip of undedicated street which has been a source of much annoyance for several years.

City Attorney Mansfield also reported that he had so far been unable to secure sufficient data upon which to determine the rights of the city to Rogers street as a public highway, a matter upon which the public records were far from clear. Upon this report it was decided to defer consideration of the question of street improvements in the northern portion of the city for a short time.

An adjourned session of the council will be held next Tuesday evening, when matters of street work will again be the special order of business.

Arizona Coming to the Bell

Manager Nathhorst has secured an unusually strong attraction for his extra program for Monday and Tuesday evening at the Bell Theater, when he will present what is admittedly one of America's greatest plays, "Arizona," staged with an all star cast. Undoubtedly this is one of the most attractive plays ever shown on the American stage dealing as it does with a great romance intermingled with strong scenes of military and frontier life. In the presentation of this play 210 distinct scenes will be shown on the screen. This is one of the most expensive productions of the moving picture stage and to meet the excessive royalty it will be necessary to place the admission at 10 and 20 cents.

For Saturday and Sunday the Bell will show extra programs at the popular 5 and 10 cent prices. On each of these days there will be five reels, one of which will be a popular Keystone comedy, with a complete change each day.

All the employes were let off to attend church services. This custom is becoming universal and in a very few years it will be observed by all classes.

Heaney, Southern Pacific agent at Petaluma, tomorrow. Mr. Heaney was the assistant agent here last year for several months. ASSESSOR'S INSTRUCTIONS

To Owners of Real Estate and Personal Property.

The law requires each and every person who owns any class of property to annually, during the months of March, April or May, file a statement with the Assessor or his deputy in the county where his property is located. You should give a statement of all property owned by you on the first Monday in March at 12 o'clock m.

No change can be made by the Assessor after he turns over his books to the Board of Supervisors on the first Monday in July. The Board then sits as a Board of Equalization during the month of July.

Remember, if you fail to give in your assessment you fail to comply with the law and may cause yourself, the Assessor and Tax Collector much trouble, and very likely cause yourself expense.

It is much more satisfactory to the Assessor, as well as to yourself, to have your assessment correct when you go to pay your taxes.

C. D. HAYWARD,
28-1 Assessor San Mateo County.

WITH AN INSURANCE POLICY IN HAND
you will not be worried to death every time the engine turns out. They won't mean such a possibility of ruin to you. The freedom from worry is alone worth the cost of the insurance. Have us get you out a policy today and even if you never have a fire, the sense of protection will be worth more than the cost of the policy.
